KEY-NOTE SPEAKER LEADS SEMINAR AT HOPKINS PRINTING

(Columbus, Ohio) April 21, 2006 – Daniel Dejan, National Print and Creative Specialist, lead “Designing For Print”, a seminar at Hopkins Printing on Mar. 30, 2006.

Dejan spoke regarding preparing digital art files so they flow smoothly through the printing company process. Hopkins had 38 of their customers in attendance for this informative and interesting seminar lead by Dejan.

Dejan has 30 years of experience as an award-winning graphic designer, art director, creative director, print production and buyer. He is probably most notable as the Principal/Executive Creative Director of Dejan Associates, Inc., a marketing and sales support organization in Chicago and as the Senior Manager of Design and Production for Baxter Healthcare Corporation/Healthcare Communications Group.

With this experience, Dejan has applied his wide-ranging expertise by conducting workshops, seminars, and delivering key-note speeches for design, advertising and print production groups throughout the United States for the past twenty years.

“We were really excited to have Daniel Dejan speak to our customers,” said Jim Hopkins, CEO of Hopkins Printing. “He has an excellent background in design and is extremely knowledgeable. We hope to have him back to speak on many other topics.”

About Hopkins Printing

Hopkins Printing is a leading high quality sheet-fed commercial printer in Central Ohio with over \$16 million in annual sales. Family-owned and operated for over 29 years, Hopkins has been named Best Workplace by Printing Industry of America and has received both the Entrepreneur of the Year Award and the Better Business Bureau Integrity Award.
